HEAVY INDUSTRIAL WELDING SOLUTIONS

FABRICATOR EM 401i/501i

// FABRICATOR FEED 304W

Industrial welding performance for everyone

- The latest inverter technology delivers lower energy consumption
- Intuitive operation and easy adjustment
- Fully mobile welding station

HEAVY INDUSTRIAL WELDING SOLUTIONS

WARRIOR™ 500i CC/CV

// ROBUSTFEED™ PRO

The flexible and reliable industrial welding system

- High-performing welder for standard operations
- Ideal for demanding environments and tough use
- Delivers consistent, high-quality results

HEAVY INDUSTRIAL WELDING SOLUTIONS

ARISTO™ 500ix

// ROBUSTFEED™ PULSE

Powerful welding machine with advanced pulse functionality

- Outstanding precision with advanced pulse welding
- Award-winning ergonomics and robust design
- A perfect match between welding quality and equipment reliability

HEAVY INDUSTRIAL WELDING SOLUTIONS

WARRIOR™ EDGE 500 CX

// ROBUSTFEED™ EDGE

Advanced welding performance with smart user interface

- Increased productivity with Pulse and Speed welding modes
- Lower running costs with TrueFlow digital gas control
- Data-driven insights and traceability with WeldCloud
- Quick parameter adjustments via the digital torch remote control

3 PHASE | MIG | SYN sMIG | TIG | MMA

HEAVY INDUSTRIAL WELDING SOLUTIONS

WARRIOR™ EDGE 500 DX

// ROBUSTFEED™ EDGE

Advanced welding performance with smart user interface

- IIncludes dedicated process modes PULSE, SPEED, ROOT and THIN
- Lower running costs with TrueFlow digital gas control
- Data-driven insights and traceability with WeldCloud
- Quick parameter adjustments via the digital torch remote control

HEAVY INDUSTRIAL WELDING SOLUTIONS

ROBUSTFEED™ FAMILY

Unparalleled performance even in the toughest environments

- Best-in-class portability and mobility
- PreciDrive system offers high precision, power, and reliable feeding
- User-friendly functionality and operations

HEAVY INDUSTRIAL WELDING SOLUTIONS

RENEGADE™ ET/ES 300

Outstanding portability and industry-leading power to weight ratio

- The most compact and lightweight welder in its class
- Rugged housing for demanding environments
- Outstanding power and reach due to long cables (up to 100 m)

HEAVY INDUSTRIAL WELDING SOLUTIONS

WARRIOR 750i CC/CV

// ROBUSTFEED™ PRO

The reliable heavy-duty welding and gouging system

- Reliable performer for demanding environments and tough use
- Delivers consistent, high-quality results
- Designed for air carbon arc gouging with Arcair torches
